April 10, 2012

Dear Hunter Mill Friends,

Tuesday marked the beginning of three public hearings where we hear from residents on the proposed FY 2013 budget. Before delving into the hearings, however, we had a few significant pieces of business to consider. First up was the Dulles Rail project. We approved the station names recommended by staff. We confirmed our participation in completing Phase 2 of the project.

The Board also announced the appointment of former Deputy County Executive Ed Long as the new County Executive upon the retirement of Tony Griffin later this month. Ed was a familiar face as a frequent presenter at our annual community meetings on the budget before retiring from the County last year.

This weekend marks the opening day for our local youth baseball and softball leagues. At the Board, we kicked off the season with congratulations to Vienna Little League on their 60th anniversary.

I look forward to see you out and about in the Hunter Mill District.

Cathy Hudgins
